

ELECTION TO PLAY IN SPECIFIC BASEBALL PROGRAM

(For all 10, 11, and 12 year olds not in Majors Baseball last year)

Baseball players Little League ages 10, 11, and 12 have several options of league level that they may play in.

9 & 10 year olds –

- AA BB – predominately 9 year old league. 10s electing this level of play usually are new to Little League, small in stature, or a young 10 year old.
- AAA BB – requires a tryout in order to be drafted to a team. AAA is predominately 9, 10, and 11 year olds (must have played 1 yr in AA)
- Major BB – requires attending one tryout to be eligible to be drafted to a majors team. Majors is predominately 11 and 12 year olds. Trying out for Majors does not guarantee being drafted to a Major team. Players who are not drafted to Majors will be drafted to a AAA team.

11 year olds –

- AAA BB – requires a tryout in order to be drafted to a team. AAA is predominately 10 and 11 year olds
- Major BB - requires attending one tryout to be eligible to be drafted to a majors team. Majors is predominately 11 and 12 year olds. Trying out for Majors does not guarantee being drafted to a Major team. Players who are not drafted to Majors will be drafted to a AAA team.

Please select the level of play. This form must accompany the player's registration form.
